**MISSION FOCUS for District Day** will be for the PATMOS Ministries (STAMPIN' OUT LONELINESS). We will be collecting **unused** Forever stamps to send to wardens and chaplains in the U.S. The stamps are distributed by the facilities so that women and men can maintain or resume communication with their loved ones, including their children who may live too far away to visit. While paper and glue cannot replace a human touch, a stamp will help to carry messages of love and hope. If you cannot afford a book of 20, any amount will be appreciated. PATMOS Ministries was introduced at the UMW Prayer Breakfast at Annual Conference this year. The program is located in Springfield, VA.
